The President's Message

First may I say that this is a trying time for all. Thank you to our community volunteers for stepping up to help us try and curtail our exposure to the virus. The cancelling of events, shows and meetings are a very responsible step in helping to lessen our community members to exposure and passing it from one to another.

The Rec. Board received some input as to why we had to close the pool and gym? Please know this was done as a precaution to protect the community. The pool, in your mind may seem a safe haven however, what about the lounge chairs, and tables and umbrellas. The pool staying open would require us having the bathrooms available, again not a safe place. The gym also becomes a breeding ground and cannot be satisfactorily sanitized every moment. We have taken the steps we feel were needed to protect our "Senior Citizens" of whom are the most vulnerable to this disease.

During our closing we have taken steps to insure you return to a clean and sanitized environment. Ritter has been doing his job by power washing all bathrooms and surfaces that might be contaminated.

We do not know when we will be able to re-open but hope you will remain patient and be part of the solution not the problem. Stay safe and well. President, Joann Albertson and your Recreation Board.

GREAT NEWS FOR EVERYONE:

Your Recreation Association will shortly have its own professional website. We already have a price quote and all that is holding us back is discussion and approval by our Board of Directors. When this does come, the web designer will proceed to build the site to our likings and needs. Alan Shwartz, currently the webmaster for Plat 4/5 will be our temporary webmaster. We already have our own E-mail account, and you can begin using it at once. The address is DVRECASSN@YAHOO.COM. We currently have a temporary volunteer to monitor and direct you mail if required. You no longer will have to wait to have your questions responded to.

SIX LITTLE STORIES WITH LOTS OF MEANINGS...

- (1). Once all villagers decided to pray for rain. On the day of prayer, all the people gathered, but only one boy came with an umbrella. That is faith.*
- (2). When you throw babies in the air, they laugh because they know you will catch them. That is trust.*
- (3). Every night we go to bed without any assurance of being alive the next morning, but still we set the alarms to wake up. That is hope.*
- (4). We plan big things for tomorrow in spite of zero knowledge of the future. That is confidence.*
- (5). We see the world suffering, but still get married and have children. That is love.*
- (6). On an old man's shirt was written a sentence "I am not 80 years old; I am sweet sixteen with 64 years of experience." That is attitude.*

Have a happy day and live your life like these six stories. Remember— Good friends are the rare jewels of life, difficult to find and impossible to replace.
