

Alliance of Delray Representative Report For Delray West Townhouses HOA

February 7, 2024

POLICE & EMERGENCY PERSONNEL NEWS:

Fire House Station 45 on Jog Rd received 20 calls per day in January. The overwhelming number of calls (3,400 overall) resulting from out of state winter visitors make building more stations a necessity in PBC.

COMMUNITY INTERESTS:

2024 Legislative Session Follow at:

[Florida House of Representatives - MyFloridaHouse.gov](https://www.myfloridahouse.gov)

OTHER INTERESTS AND ACTIVITIES:

The sheriff's office (also liaising with Homeland Security Office) received 1.2 million calls in 2023. Sheriff Ric Bradshaw spoke of "top of the spear issues" affecting our area: Of great concern is Antisemitism by a group of antisemites out of Port St. Lucie coming to our area. He is firmly committed to deter this group from harming religious venues by increasing policing patrols at practicing sites. His overall message was for "community safety" and making good on this mentioned of arrests made for Seminole of Mexico cartel narcotic traffickers. Calls for the urgency to plug the southern border as 1.5 million dangerous "get aways" members whereabouts inside the US remain unknown to law enforcement agencies. Also, to pay attention to mental illness as Florida falls 47 out 50 states without mental health facilities keep many on the streets. PBSO is currently using therapy dogs to help those with PTSD and children in problematic families.
