PRESIDENT'S CORNER

We have come to the end of 2022. Hoping it was a good year for all. Delray Villas lost some very special people who contributed much to our community, some by just living here. May they be blessed and at peace. Our community survived the Hurricanes, tornadoes and we are thankful.

2023 is here and it is going to be a FANTASTIC one. Our newly renovated "Clubhouse", also known as the "A" Building, will be completed and the fun we will schedule, will bring us all back together in a positive community gathering.

There is no set date, but it will be in the early part of the new year. Watch this paper and your Plat channels for further news. You can also attend the Rec Board meetings on the third Wednesday of the month, 7pm in the Viking Room.

There are activities planned by the Rec Board Entertainment committee and by the individual Clubs. Refer to your Rec News for the information and dates.

May you all have the most healthiest and wonderful New Year. Blessings to all.

President Joann Albertson & your Recreation Board

A community informational seminar regarding scams and safety issues presented by

Palm Beach County and VAST!

Saturday, January 14th @ 1:00 PM, Rec Center, Building B, Viking Room

Palm Beach County is tops in the nation for identity theft and scams, and the Palm Beach County Sheriff's Office Volunteers Against Scams Team (VAST) is urging residents to be vigilant in protecting themselves.

Mike has asked Rick Mancini to gather information from his Alliance contacts on programs to alert and teach everyone how to protect ourselves and our community. Rick has done an outstanding job reaching out to all the right people. He has been working with the PBSO and VAST (Volunteers Against Scams Team) to put together a program.

The Delray Villas Plat 4/5 HOA Board is asking all of you to save the date of Saturday, Jan. 14th to come to this 1 hour presentation given by VAST in the Rec Center Building B, Viking Room @ 1:00 PM. (No video cameras allowed per Palm Beach Sheriffs office please.) If you can not attend in person it will also be on zoom and you will be emailed a link to attend by just clicking on it.

Please bring a pen and paper to take notes or write down questions.

This is a WE REALLY SHOULD GO! Meeting.

Together, we can all protect our community! It starts with you being able to protect yourself first!

Call or text Rick with any questions! 917-865-6563
